To: All Users of the City of Albany *Standard Construction Specifications* and *Engineering Standards*

REVISED STANDARD CONSTRUCTION SPECIFICATIONS FOR JULY 2015

The City of Albany Public Works Department has instituted revisions to the *Standard Construction Specifications*. These revisions are made effective and shall apply to all projects approved for construction from this date forward.

Changes to the City of Albany's Public Works Standards are described in the attached document: *CONSTRUCTION SPECIFICATIONS AND STANDARD DRAWINGS Summary of Changes/Additions/Deletions as of July 2015*.

The most current version of the City of Albany *Standard Construction Specifications* and associated drawings is located on the City's website at www.cityofalbany.net. The most current version of the *Standard Construction Specifications* has "July 2015" in the footer of each page. All holders of this manual should review the attached Summary of Changes and update their manuals.
