Business:

- An updated Network Resource Manuel was handed out to everyone. We will update these each year.
- There will be a list attached with these minutes of our future meeting dates, places with address' and phone number.
- A copy of an annual report from another network in another state was given to everyone as a thought of something we might want to do for our network. Mike agreed to put it all together if we would get the information to him.
- We decided we should come up with goals for the year 2004. Some of those were:
  - To update our resource manual every year.
  - Expand our network to out lying areas.
  - Obtain funding for a training video.
  - Have trainings about different topics for our network ie:
    - STAT
    - YST
    - ABC House
- Albany Fire Department is in the beginning phases of starting a mentoring program for Firesetters. More information to follow.

Other Business:

Wanda agreed to contact Patrick Tomblin about coming to our next network meeting to discuss STAT. (*Patrick was contacted and will be at our April 21<sup>st</sup> meeting*)
