

**Linn Benton Juvenile Firesetter Intervention Network Meeting
Minutes
August 18, 2004**

<u>Present:</u>	Wanda Omdahl	Albany Fire Department
	Terry Thompson	Benton County Juvenile Depart.
	Karin Stauder	Corvallis Police Department
	George Crosiar	Office of State Fire Marshal
	Dave Bauer	Linn County Mental Health

Business:

- ✚ We received a nice letter from CSC about our presentation to their forestry class. We brainstormed some more possibilities for doing presentations:

- Child Care Providers
 - DHS Case workers
 - Head Start Administration
 - CARDV
 - District Attorney
 - Judges

- ✚ We went over the newsletter one more time and are going to add some pictures. We should have the very final draft at the next meeting and they will go out in October. The mailing list should have about 150-200 on it. We are also going to add in our newsletter the availability to do presentations for organizations.
- ✚ George updated us on his juvenile firesetter info sheet for outlying departments. He hopes to give those to the Linn and Benton Fire Defense Boards.
- ✚ There was a discussion about interacting with school administrators in regards to reporting school fires.
- ✚ We talked about future presenters to come to us and discuss what they offer in regards to services for kids. Wanda is going to arrange to have FACT (Families and Agencies Coming Together) come to our September meeting and Terry Thompson is going to see if DHS will come and talk to us in November.

✚ Dave shared the information he received in the mail for the Children and Fire 11 Conference in Mass. The web site to receive that information is www.kidsandfire.net.

Case Review

Several cases were discussed.
