Discussion of Goal 5 requirements with City staff, State staff, consultant, and public

Discussion:

The intent of the session is twofold:

1. Answer as many questions from the public, staff, and councilors as possible.

Process: The known questions will be posted up on easels and we'll ask if there are any additional questions that should be added. Then we'll go through the questions and check them off as they are answered. There will be opportunities to ask clarifying questions. Wes Hare will facilitate the discussion.

2. Provide direction to staff on potential revisions to the proposed Goal 5 program Council reviewed at previous hearings.

Process: At the end of the session, staff will ask for direction on potential revisions and will bring those to you at the next Goal 5 public hearing on August 24, 2011.

NOTE: The special Goal 5 Work Session is being held after the regular work session, from 6-8 p.m. in the Council Chambers. A light meal will be provided.
