

RESOLUTION NO. 750

Authorizing filing of application with the United States of America for an advance to provide for the planning of public works under the terms of Public Law 560, 83rd Congress of the United States, as amended.

WHEREAS, The City of Albany, Linn County, Oregon (herein called the Applicant) after thorough consideration of the various aspects of the problem and study of available data has determined that the construction of certain public works, generally described as:

West Central Storm Sewer  
Waverly Storm Sewer  
Geary Storm Sewer (Area III)  
East Central Storm Sewer  
Oak St. Storm Relief at 6th  
Oak St. Storm Relief at 1st  
9th Ave. ( Jackson to Madison and Main to Geary)  
13th Ave. (Jackson to Queen)  
Broadway (Queen to 7th)  
Geary (7th to Water)

is desirable and in the public interest and to that end it is necessary that action preliminary to the construction of said works be taken immediately; and

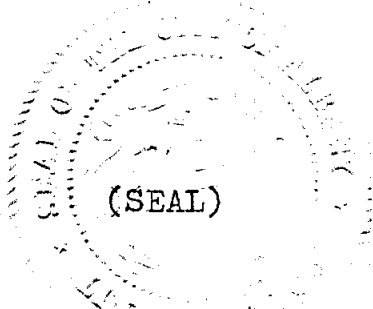

WHEREAS, under the terms of Public Law 560, 83rd Congress, as amended, the United States of America has authorized the making of advances to public bodies to aid in financing the cost of engineering and architectural surveys, designs, plans, working drawings, specifications or other action preliminary to and in preparation for the construction of public works; and

WHEREAS, the applicant has examined and duly considered such act and the applicant considers it to be in the public interest and to its benefit to file an application under said act and to authorize other action in connection therewith;

NOW, THEREFORE, BE IT RESOLVED BY The Albany City Council, the governing body of said applicant, as follows:

1. That the construction of said public works is essential to and is to the best interests of the applicant, and to the end that such public works may be provided as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;
2. That William D. Bollman, City Manager, be hereby authorized to file in behalf of the applicant an application (in form required by the United States and in conformity with said act) for an advance to be made by the United States to the applicant to aid in defraying the cost of plan preparation for the above described public works, which shall consist generally of storm sewer, street improvement and construction projects.

3. That if such advance be made, the applicant shall provide or make necessary arrangements to provide such funds, in addition to the advance, as may be required to defray the cost of the plan preparation of such public works;
4. The said William D. Bollman, City Manager, is hereby authorized to furnish such information and take such action as may be necessary to enable the applicant to qualify for the advance;
5. That the officer designated in the preceding paragraph is hereby designated as the authorized representative of the applicant for the purposes of furnishing to the United States such information, data, and documents pertaining to the application for an advance as may be required; and otherwise to act as the authorized representative of the applicant in connection with this application.
6. That certified copies of this resolution be included as part of the application for an advance to be submitted to the United States.
