

RESOLUTION NO. 978

WHEREAS, the people of the City of Albany have determined that it is necessary and to the best interest of the people that a storm relief sewer, together with pumping station and necessary lateral sewers, be constructed in the West Central Drainage District in order to prevent flooding of property with combined sanitary and storm sewage and to eliminate overflow of sanitary sewage into the Willamette River, and

WHEREAS, Federal Funds are available to match local funds for construction of sewers to eliminate combined storm and sanitary sewage disposal systems,

NOW THEREFORE BE IT RESOLVED by the Council of the City of Albany that the City Manager, on behalf of the City of Albany make formal application for Federal Funds in the amount of \$310,000.00 said application to be forwarded to the appropriate Federal Agency.

DATED this 23rd day of November, 1966.
