

NO. 1617
 RESOLUTION APPROVING RATES
 OF
 LIBERTY TELEVISION, INC.
 UNDER FRANCHISE ORDINANCE NO. 3242

WHEREAS, Section 12 of Ordinance No. 3242 provides that before any increased rate schedule is put into effect by Liberty Television, Inc. the City Council shall review the proposed rates at a public hearing after due notice with the objective of approving rates that will provide a fair and reasonable rate of return to the franchisee; and

WHEREAS, said franchisee has requested an increase in rate schedule and a hearing has been held thereon and consideration has been given by the Council of the request and the Council finds that the increase in rate schedule is proper and would provide a fair and reasonable rate of return to the franchisee; now, therefore,

BE IT RESOLVED by the City Council of the City of Albany that the following rate schedule is hereby approved:

	<u>Connection Charge</u>	<u>Monthly Service Charges</u>
1. Standard Single-family residence, one outlet	\$ 9.95	\$6.00

NOTE: At company's discretion, discounts or waivers of connection charges or waiver of monthly service charges may be used as promotional devices.

Transfers or re-connections same as new connects.

Second outlet in a single-family residence	10.00	1.25
Third or more outlet in single-family residence	5.00	

Underground Installation

Cable Company's Time (presently \$6.00 per man-hour) plus materials at unit list prices plus 10%.

Maximum per single-family dwelling, \$75.00 extra charge. Commercial, on quotation.

2. Multiple-family residential buildings (one outlet per unit) (includes apartment houses, trailer or mobile home parks, motels, etc.)

2 units	30.00	12.00
3 units	45.00	15.00
4 units	60.00	18.00
5 units	75.00	
6 units	90.00	

For apartment houses, any number of units over 4, add \$15.00 to the connection charge and add \$2.25 to the monthly service charge for each unit in excess of 4. For motels, trailer or mobile home parks for any number of units over 5, add \$15.00 to the connection charge. In excess of 5 but not exceeding 20, add \$1.50 to the monthly charge.

7 units	105.00	2.00
8 units	120.00	20.00
9 units	135.00	21.00
10 units	150.00	22.00

For any number of units over 10, add \$15.00 to the connection charge, and (except for motels) add \$2.00 to the monthly service charge, for each unit in excess of 10. For motels, add \$1.50 per unit to the monthly service charge, for each unit in excess of 10.

NOTE: The foregoing apply only if the owner or landlord is responsible for all payments, and the cable company installs the entire distribution system in the building. If the building owner has his own internal distribution system, or hires someone else to install one, the cable company technicians must approve the installation; and the cable company reserves the right to refuse to connect to any distribution system that will degrade the cable company's signals. In the event the cable company agrees to use such a distribution system, a reduction of the connection charge will be negotiated on a case-by-case basis, but the monthly service charge will be the same as if the cable company itself had installed the distribution system.

If the building owner prefers not to invest in a distribution system, and the cable company wires the building at its own expense, the cable company (with the permission of the building owner) will contract individually with the tenants, and the charges for each tenant will be

9.95 6.00

(extra outlets, same as in single-family residences)

7. Unwarranted complaint calls: First such call . . . No Charge
Subsequent calls . . \$3.00 each

8. Schools:

The cable company will furnish service to any public or parochial school, on the school's request, as follows:

(a) For initial installation to one classroom, no charge for either installation or continued service.

(b) For expansion into additional rooms, the company's time (presently \$6.00 per man-hour) plus materials (at unit list prices plus 10%); and for service, \$25 per year per school, regardless of the number of outlets. The school, however, will also pay for Time and Materials for repair or replacement of damage to the system, whether for the single free outlet or for the expanded system.

Dated this 26th day of June, 1974.
