

RESOLUTION NO. 5009

A RESOLUTION PROPOSING THE ANNEXATION OF PROPERTIES LOCATED ON THE EAST SIDE OF CLOVER RIDGE ROAD (AN-02-04), AND FORWARDING THE QUESTION OF ANNEXATION TO THE VOTERS ON THE NOVEMBER 2, 2004 BALLOT.

THE CITY COUNCIL OF THE CITY OF ALBANY RESOLVES that the findings and conclusions contained in Resolution Exhibit B (which consists of the complete staff report to the Albany City Council, including attachments, and dated July 21, 2004; File AN-02-04), and by this reference incorporated herein, are hereby adopted.

THE CITY COUNCIL OF THE CITY OF ALBANY FURTHER RESOLVES that this annexation, which would annex approximately 27 acres of property located on the east side of Clover Ridge Road, all within Linn County, Oregon, is to be submitted to the legal voters of Albany, Oregon, for their approval or rejection pursuant to Albany City Charter Chapter 54 at an election to be held on November 2, 2004. This election will be conducted by mail-in ballot.

The ballot title of this measure and the form in which it shall be printed on the official ballot is as follows:

CAPTION: MEASURE PROPOSING ANNEXATION OF PROPERTIES EAST OF CLOVER RIDGE ROAD

QUESTION: Shall five parcels totaling approximately 27 acres on the east side of Clover Ridge Road be annexed?

SUMMARY: Approval of this measure would annex approximately 27 acres to the City of Albany. The property to be annexed is located on the east side of Clover Ridge Road. Upon annexation, the zoning would be RS-6.5 (Single-Family Residential).

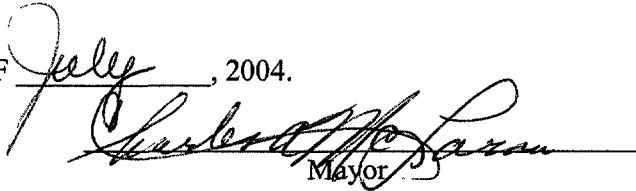

The text of the measure is as follows:

The following described real property, all located in Linn County, Oregon, shall be annexed to the City of Albany upon obtaining a favorable majority vote of the people.

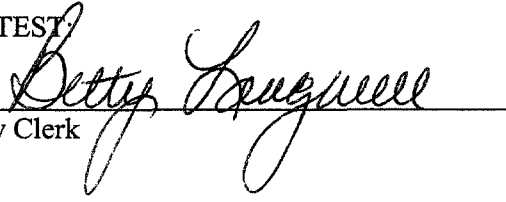

The property generally located on the east side of Clover Ridge Road, shown on Linn County Assessor's Map No. 11S-03W-03B; Tax Lots 300, 400, 500, 600, and 700, as further described in the attached legal description labeled Resolution Exhibit A. The subject properties containing 27 acres, more or less.

The City Clerk is authorized and directed to give notice of the submission of this question to the voters, including a true copy of the complete text and the ballot title for the measure in the form in which it shall be printed on the official ballot and any other information required by law to be published. That notice shall be published in not less than two successive and consecutive weekly issues of the *Albany Democrat-Herald*.

DATED AND EFFECTIVE THIS 28 DAY OF July, 2004.

Mayor

<u>HEARING BODY</u>	ALBANY CITY COUNCIL
<u>HEARING DATE</u>	Wednesday, July 28, 2004
<u>HEARING TIME</u>	7:15 p.m.
<u>HEARING LOCATION</u>	Council Chambers, Albany City Hall, 333 Broadalbin Street SW

GENERAL INFORMATION

DATE OF REPORT:	July 21, 2004
FILE:	AN-02-04
TYPE OF REQUEST:	Annexation of approximately 27 acres east of Clover Ridge Road
REVIEW BODY:	City Council
PROPERTY OWNERS:	Iris Patton (Tax Lot 300); Matthew and Julie James (Tax Lot 400); William and Corrine Wilfong (Tax Lot 500); Breadner Parker & Assoc. LLC; BBF Development LLC (Tax Lots 600 and 700).
APPLICANTS:	Same as property owners
ADDRESS/LOCATION:	215, 305, 335, 405, and 440 Clover Ridge Road NE
MAP/TAX LOT:	Linn County Assessor's Map No. 11S-03W-03B; Tax Lots 300, 400, 500, 600, and 700
TOTAL LAND AREA:	27 acres
EXISTING LAND USE:	Single-Family homes on large lots (see Ortho photo – Staff Report Attachment B)
EXISTING COMP PLAN DESIGNATION:	Urban Residential Reserve
CURRENT ZONING:	Linn County – Urban Growth Management (UGM)
PROPOSED ZONING:	RS-6.5 (Single-Family Residential)
NEIGHBORHOOD:	East Albany
SURROUNDING ZONING:	Linn County – UGM (west); City of Albany – RS-6.5 (south) and RS-5 (north & east)
SURROUNDING USES:	Single-family housing on large lots (west & south); undeveloped grass fields (north & east)
PRIOR HISTORY:	These properties became part of an unincorporated island when the Brandis Annexation was passed in 2002.

**FINDINGS AND CONCLUSIONS
FILE AN-02-04**

INTRODUCTION

On May 27, 1998, the City Council adopted policies and procedures for voter-approved annexation. The ordinance spells out the eligibility and timeliness criteria that the City Council must deem met before they refer an annexation request to the voters.

Listed below are findings and conclusions that address the review criteria. *Review criteria are listed in bold italics.*

REVIEW CRITERIA

ELIGIBILITY CRITERIA:

A. The property is contiguous to the existing city limits.

Finding of Fact:

1. When considered in total, the area is contiguous to the current city limits along the north, east, and south property boundaries (See attached map labeled Attachment A).

Conclusion: This criterion is met because the subject properties are adjacent to the existing city limits.

B. The property is located within the Albany Urban Growth Boundary as established by the Albany Comprehensive Plan.

Finding of Fact:

2. Plate 1 of the City's Comprehensive Plan shows the Urban Growth Boundary (UGB). All the parcels involved in this annexation proposal are within the Urban Growth Boundary (See attached map labeled Attachment A).

Conclusion: This criterion is met because the properties proposed for annexation are within the UGB.

TIMELINESS CRITERIA:

A. An adequate level of urban services and infrastructure is available, or will be made available in a timely manner.

- a. *"Urban services" means police, fire, and other city-provided services.*
- b. *"Infrastructure" means sanitary sewer, water, storm drainage, and streets.*
- c. *"Adequate level" means conforms to adopted plans and ordinances.*
- d. *"Be made available in a timely manner" means that improvements needed for an adequate level of urban services and infrastructure will be provided in a logical, economical, and efficient manner. Improvements for needed infrastructure may be secured by a development agreement or other funding mechanism that will place the primary economic burden on the territory proposed for annexation and not on the City of Albany generally.*

Findings of Fact:

Water

3. City utility maps indicate that a 12-inch public water main exists in Clover Ridge Road, between Knox Butte Road and the Urban Growth Boundary to the north.

4. When the large diameter water main is constructed in Century Drive as part of the new water treatment plant north of the City, a main will also be constructed to the east in Bernard Avenue, which will loop the main in Clover Ridge Road with the main in Century Drive.

Conclusion: This criterion is met because public water does currently exist adjacent to the subject properties. Staff recommends that Council require the attached annexation agreement (labeled Attachment C) which may waive some of the developer's rights and remedies with regard to conditions that may be placed on development by the City if public facilities are insufficient to support the development.

Sanitary Sewer

5. Sanitary sewer utility maps indicate that public sanitary sewer facilities in this area consist of an 8-inch main in Clover Ridge Road.

Conclusion: This criterion is met because the public sanitary sewer system is available to serve the subject properties. Staff recommends that Council require the attached annexation agreement (labeled Attachment C) which may waive some of the developer's rights and remedies with regard to conditions that may be placed on development by the City if public facilities are insufficient to support the development.

Storm Drainage

6. The subject property lies within the Truax Creek drainage basin. Drainage in this basin flows to the northeast into Truax Creek, which flows to the west into the Willamette River approximately one mile west of this site.
7. Storm drainage system improvements are typically tied to street improvement work. Linn County is scheduled to improve Clover Ridge Road to City standards next year. There will be storm drain piping constructed within the Clover Ridge improvements. Much of the storm water runoff from the subject properties upon development will be discharged to existing open channels, with the remainder connected to storm drainage facilities in Clover Ridge Road.

Conclusion: This criterion is met because the existing storm drainage system is available for use by future development on this site. Staff recommends that Council require the attached annexation agreement (labeled Attachment C) which may waive some of the developer's rights and remedies with regard to conditions that may be placed on development by the City if public facilities are insufficient to support the development.

Transportation

8. Each of the subject properties have frontage on and access to Clover Ridge Road. Clover Ridge Road is currently a Linn County right-of-way, but jurisdiction will be transferred to the City of Albany upon completion of the road improvements.

Conclusion: This criterion is met because the transportation system is adequate for the existing uses on the property, and the scheduled improvements to Clover Ridge Road will bring the road up to city standards. Staff recommends that Council require the attached annexation agreements (labeled Attachment C and Attachment D) which may waive some of the developer's rights and remedies with regards to conditions that may be placed on development by the City if public facilities are insufficient to support the development.

Police & Fire Protection

9. Public water for fire fighting is available in Clover Ridge Road. Because the subject properties are surrounded by the city, fire service to this site would be a logical extension of the current service boundaries.
10. Because the subject property is contiguous to the city limits, and because nearby properties on all sides of this site are served, police service to this property would be a logical extension of the current patrol boundaries.

Conclusion: This criterion is met because police and fire service to this property would be a logical extension of the current service boundaries.

B. *Sufficient planning and engineering data has been provided and all necessary studies and reviews have been completed such that there are no unresolved issues regarding appropriate Comprehensive Plan and implementing ordinances.*

Findings of Fact:

11. This annexation request is for approximately 26.99 acres. The Comprehensive Plan Map designation is Urban Residential Reserve. City staff and the applicant are recommending that the properties be zoned RS-6.5 (Single-Family Residential) upon annexation, which is in conformance with the Comprehensive Plan.
12. Public infrastructure facility plans that deal with this area include: Wastewater Facility Plan completed in 1998; Storm Drainage Master Plan completed in 1988; Transportation System Plan completed in 1997. The City's existing Water System Facility Plan was completed in 1988, but a new version is currently being developed.

Conclusion: This criterion is met because of the information provided in the various studies and plans covering this area.

C. *The City shall attempt to discourage islands or enclaves of unincorporated territory surrounded on all sides by the City.*

Finding of Fact:

13. Annexation of the subject properties would not create an island, and in fact, the properties included in this annexation request are within an existing island.

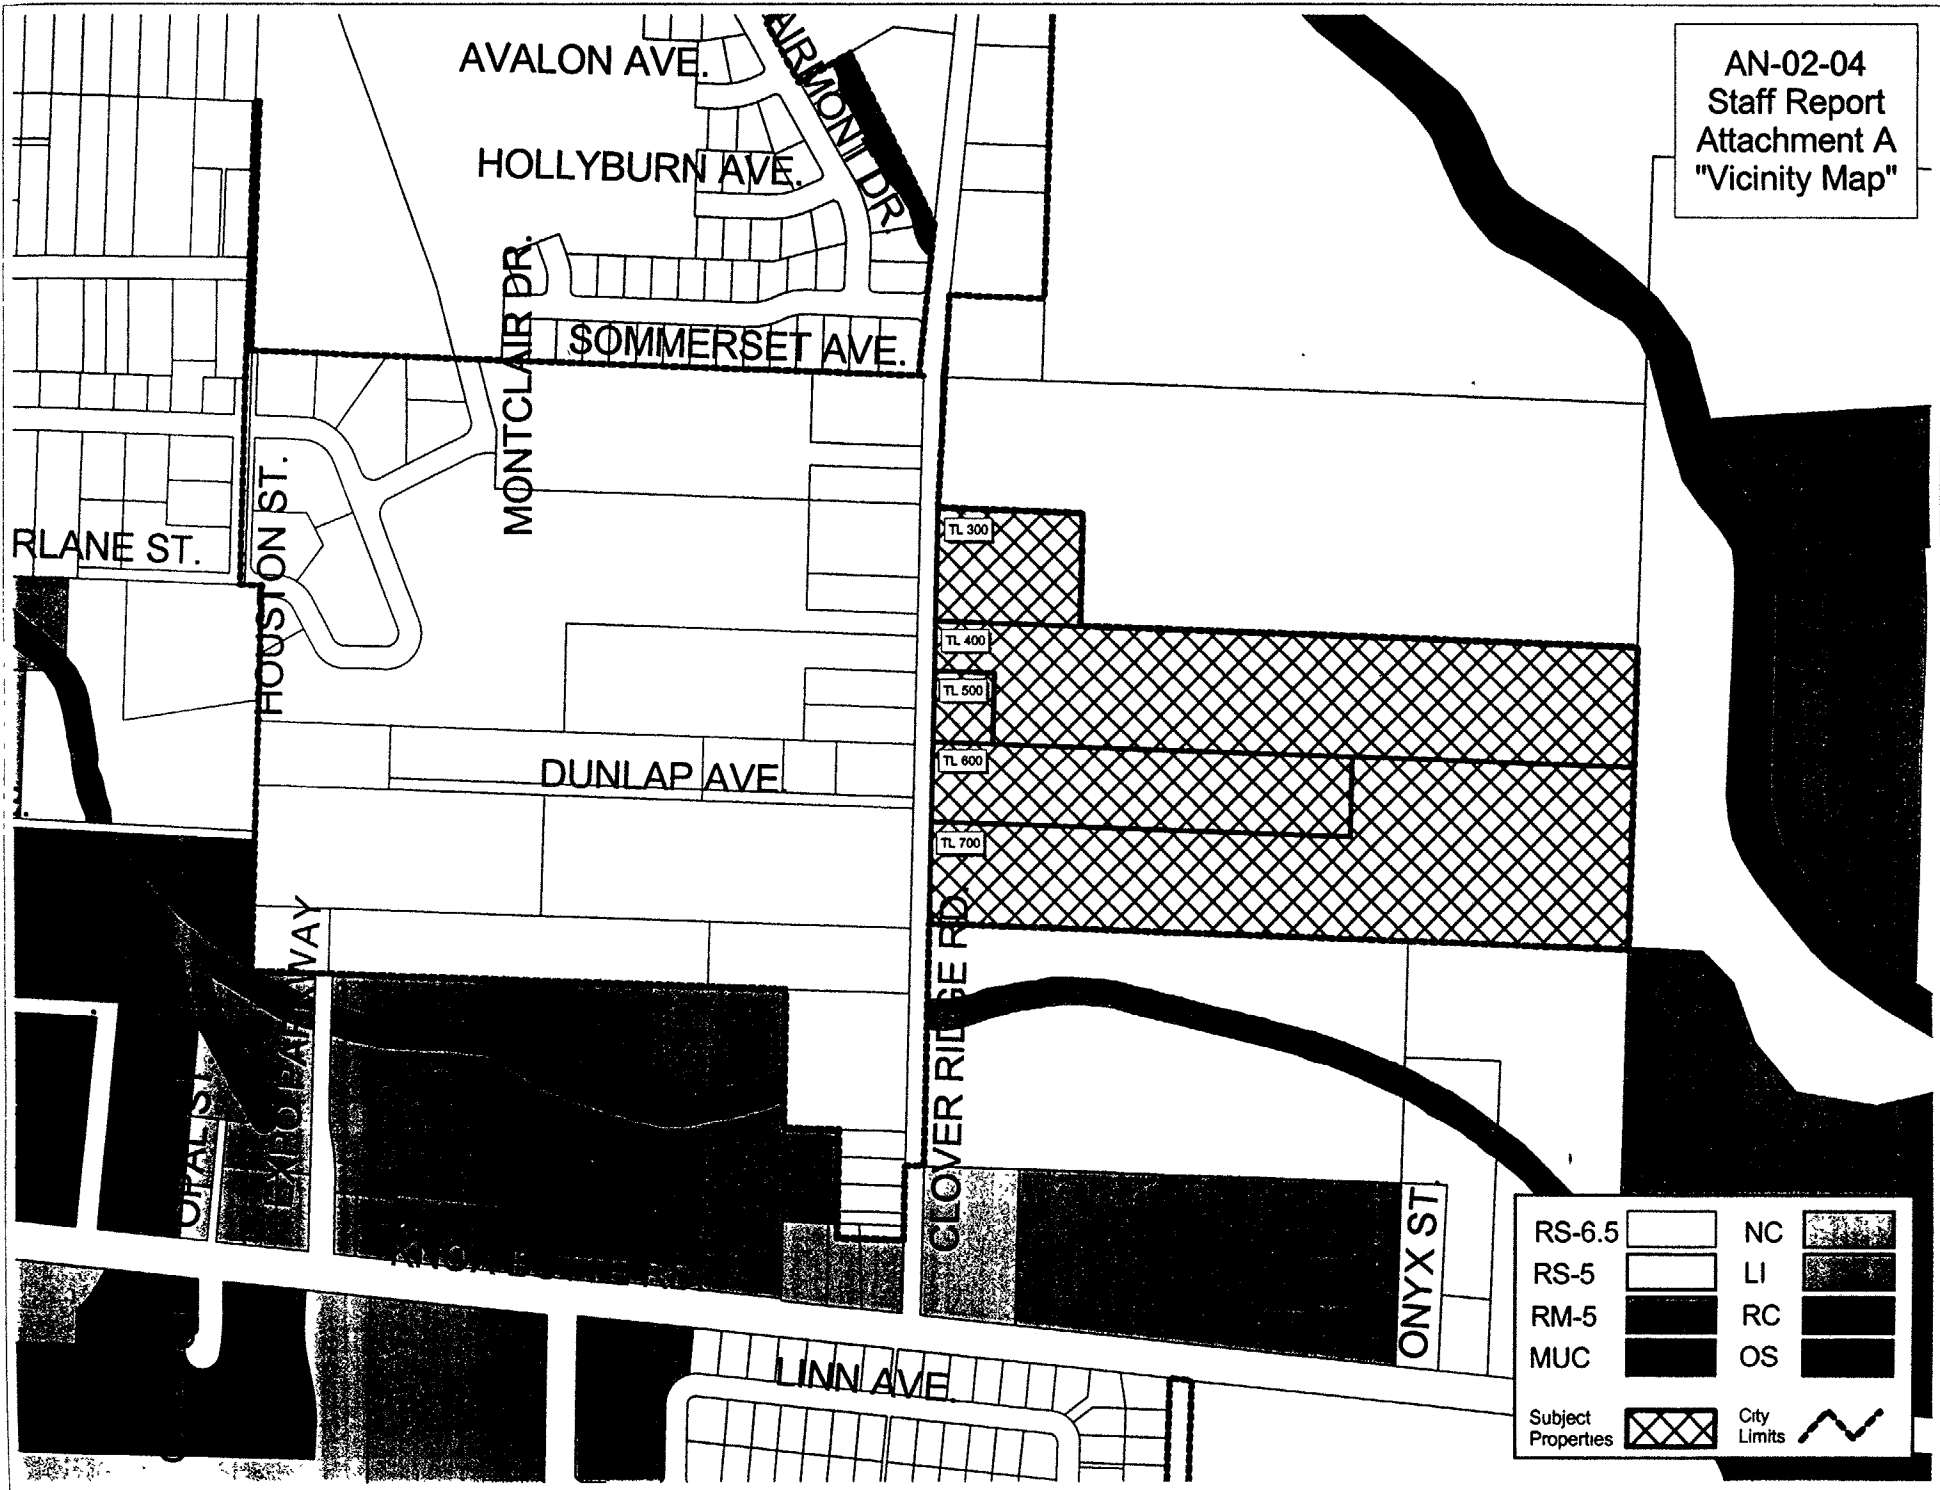

Conclusion: This criterion is met because no island would be created by this annexation.

D. *The City Council may consider, at its discretion, any other factor which affects the timeliness or wisdom of any particular annexation petition.*

Findings of Fact:

14. A petroleum pipeline is located adjacent to the eastern boundary of two of the larger parcels (Tax Lots 400 and 700). The annexation agreement governing these properties requires a minimum 50-foot setback between the pipeline and any structure on the subject properties.
15. The tentative plat for the recently approved subdivision immediately north of the subject properties shows three streets running north-south. The annexation agreement requires that these streets be continued for connectivity purposes when Tax Lots 400, 600, and 700 develop.
16. The subject properties have frontage along Clover Ridge Road. The annexation agreement governing the large developable parcels (Tax Lots 400, 600, and 700) requires that any houses constructed on future lots with frontage on this street face Clover Ridge Road.

ANNEXATION AGREEMENT

EFFECTIVE DATE: Upon approval of Albany City Council and the approval of the proposed annexation by the voters of the City of Albany.

PARTIES: BBF DEVELOPMENT LLC
6294 SW Arbor Grove Drive, Corvallis

BREADNER PARKER & ASSOCIATES LLC
6294 SW Arbor Grove Drive, Corvallis

MATTHEW L. and JULIE ANN JAMES
345 Clover Ridge Road NE, Albany

Individually and Together (“Developer”)

CITY OF ALBANY, OREGON, a municipal corporation
333 Broadalbin SW, Albany

(“City”)

RECITALS:

WHEREAS, Developer owns certain real property outside of and adjacent to City and described in Exhibit 1 and shown in a map labeled Exhibit 2 attached hereto (the "Property"), which they desire to be annexed to the City, and the City desires to put the annexation proposal on the ballot for approval of voters in accordance with Oregon law and the City Charter;

WHEREAS, City does not want annexation to impose express or implied obligations on the City to make and fund infrastructure improvements;

WHEREAS, prior to approving the proposal for the ballot, City staff has requested that Developer enter into an Agreement which will waive some of Developer's rights and remedies with regard to conditions that may be placed on development of the Property by City if public facilities are insufficient to support the development and which will commit Developer in good faith to make certain enhancements and observe restrictions concerning the Property at such time that the actual development of the Property begins;

WHEREAS, the City has the policy of not placing annexation proposals on the ballot unless the Council first determines that the annexation is timely;

WHEREAS, among the factors considered by the Council in its timeliness determination is the adequacy of public infrastructure to serve the proposed annexation site;

WHEREAS, the Parties do not intend that this Agreement be a land use document or comply with the requirements of a Development Agreement as set forth in ORS 94.504 to 94.528;

WHEREAS, nothing in this Agreement limits the use of the Property for any lawful purposes, so long as any required City approval has been obtained;

WHEREAS, nothing in this Agreement shall require Developer to develop the Property or prohibit Developer from stopping any development after it has begun.

AGREEMENT:

NOW, THEREFORE in consideration of the above Recitals and the mutual promises contained herein, the Parties agree as follows:

1. **Incorporation of Recitals.** The Recitals are hereby incorporated into this Agreement as if set forth herein in full.
2. **Location.** The Property is adjacent to the City Limits of the City of Albany and within the Urban Growth Boundary for the City of Albany.

3. **Term.** The term of this Agreement shall commence on the date upon which it is approved by the Albany City Council and shall continue until superceded or terminated by the mutual agreement of the Parties or shall terminate upon rejection of the proposed annexation by the voters of the City. The Parties may enter into individual agreements, including, but not limited to, Development Agreements, at any future date, which will supercede this Agreement as applied to the Property as a whole or to portions of the Property or individual phases of development, as specified in said future agreements.
4. **Definitions.** For purposes of this Agreement, specific terms shall be defined as follows:
 - 4.1. *"Public Facilities."* Physical infrastructure necessary or beneficial to the development of real property in the City of Albany. Such facilities include, but are not limited to, streets, curbs, gutters, sidewalks, bridges, culverts, intersections, traffic signals, signage, ditches, piping, valves, pump stations, landscaping, trails, bicycle paths, parks, sewer, storm sewer, and/or water facilities.
 - 4.2. *"Development."* The meaning prescribed for said term at Albany Municipal Code 20.22.010.
 - 4.3. *"Developer."* Any person or legal entity having the right or responsibility to control the development of the Property. This term includes, without limitation, all owners of property proposed for development.
5. **Ballot.** The Property shall be proposed to the voters of the City of Albany for annexation subject to the terms of this Agreement.
6. **Waiver of Rights and Indemnification.** If Developer proceeds with development of the Property, Developer agrees that if the City determines, in the exercise of reasonable discretion, based on substantial evidence in the record, that Public Facilities are insufficient to support a proposed development, and there is a reasonable relationship between any condition or denial and said deficiency in Public Facilities, and the City therefore conditions or denies an application based on such a determination:
 - 6.1 Developer will waive the right to claim that such condition or denial constitutes a moratorium under ORS 197.505 to 197.540.
 - 6.2 Developer will waive any right to seek judicial or administrative relief including, but not limited to, claims for injunction or damages that may result from the delay or denial of development opportunities.
 - 6.3 Developer will waive any claim under any present or future legislation, judicial determination, or Oregon Constitutional amendments that require local government to compensate a property owner for damages which result from governmental regulations which are deemed to constitute a complete or partial taking of such property.
 - 6.4 Developer waives any right to appeal said condition or denial or to seek any other form of judicial or administrative relief, on the grounds that it places a "disproportionate burden" on Developer. This waiver is intended to include, but not be limited to, claims that the disproportionate burden constitutes a partial or complete taking of Developer's property. This waiver shall relieve City of any requirement to make individualized findings that

justify a condition on the proposed development or a denial of the proposed development, but the condition or denial must be directly related to a deficiency in Public Facilities caused or contributed to by the proposed development.

- 6.5 None of the rights waived by Developer shall waive Developer's right to just compensation in the event that the City initiates eminent domain proceedings to acquire all or a part of Developer's property.
- 6.6 The Developer and its successors and assigns agree to indemnify and hold harmless the City of Albany, its agents, officers, and employees, from any of the following claims including, but not limited to, the attorney's fees and other expenses incurred by the City resisting said claims:
 - 6.6.1 Any claim challenging the enforceability or binding nature of this Agreement;
 - 6.6.2 Any judicial or administrative proceeding which is brought by Developer or its successors or assigns challenging the correctness or any action taken by the City which is authorized under the terms of this Agreement;
 - 6.6.3 Any other proceeding of any kind or nature wherein Developer or its successors or assigns seeks damages or injunctive relief as a result of any City decision to deny, condition, or limit development activities.
- 6.7 The Property is currently designated on the City's Comprehensive Plan Map as Urban Residential Reserve (URR). If URR is the Comprehensive Plan designation at the time of annexation, the zoning of the Property will be RS-6.5 (Residential Single Family). The Developer may later request a change in the Comprehensive Plan and zoning designations according to the City of Albany Development Code.

7. Developer Agrees. If Developer proceeds with development of the Property, Developer agrees as follows:

- 7.1 Any residential subdivision constructed on the Property will be designed so homes built on lots with frontage on Clover Ridge Road will face Clover Ridge Road. If Covenants, Conditions, and Restrictions (CC&Rs) are necessary to assure that the homes are constructed in this manner, CC&Rs will be included with the subdivision. This provision does not apply to corner lots that have frontage on Clover Ridge Road and a street inside the subdivision. Homes on corner lots may face the street inside the subdivision.
- 7.2 A petroleum pipeline is located adjacent to the easternmost boundary the two largest parcels. Any residential subdivision constructed on the Property will be designed so that no structures will be built within 50 feet of this pipeline. If Covenants, Conditions, and Restrictions (CC&Rs) are necessary to assure that development is constructed in this manner, CC&Rs will be included with the subdivision.
- 7.3 The tentative plat for the recently approved subdivision immediately north of the Property shows three north-south streets being stubbed to the north boundary of the

Property. Any residential subdivision constructed on the Property will be designed so that these streets are extended into the Property for the purpose of street connectivity.

8. **City Agrees.** The City, in consideration for the promises made by Developer, agrees as follows:
- 8.1 There are currently sufficient Public Facilities available to annex the property into the City of Albany upon approval of the voters. This does not imply that available Public Facilities are sufficient for any particular development.
 - 8.2 The City shall not impose a Local Improvement District or other financial obligation upon Developer unless it is determined that the Developer benefits from the proposed improvement(s).
 - 8.3 While the City's conditions or denials may place a disproportionate burden on the Developer to make Public Facilities improvements, any such conditions or denials shall be reasonably related to the Public Facilities needs which result from development on the Property. "Objective Engineering Standards" will be used to determine the need for Public Facilities which result from any proposed development. Notwithstanding the foregoing, both Parties agree that the Public Facilities needs of third parties or the public generally may also be a contributing factor to the Public Facilities needs which result from development on the Property. The needs of such third parties or the public shall not limit the City's discretion to impose conditions or denials on the Developer.
 - 8.4 Subject to the provisions of this Agreement, the City agrees that upon annexation, and subject to the terms and limitations of this Agreement, the Property shall enjoy the same right to development as applies to similarly situated property in the City of Albany. This is a material consideration for the Developer to comply with the conditions and requirements set forth in this Agreement.
 - 8.5 City shall make a good faith effort to identify and address planning issues and impacts that may arise as a result of development of the Property and will share with Developer any information of prospective issues or impacts.
 - 8.6 Subject to the provisions of this Agreement, Developer has full entitlement to apply for development of all or any part of the Property and shall be entitled to the same consideration shown to similarly situated applicants.
9. **Contingency.** This Agreement is expressly contingent on (i) approval by the Albany City Council of the annexation proposal and this Annexation Agreement, and (ii) approval by the voters in accordance with Oregon law of such annexation proposal.
10. **Miscellaneous.**
- 10.1 ***Binding Effect.*** This Agreement shall be binding on and inure to the benefit of the Parties and their respective heirs, personal representatives, successors, and permitted assigns and upon approval of the voters of the City of Albany, the terms of this

Agreement shall be recorded in a form approved by the City so as to provide a record of this Agreement to run with the land described in the attached Exhibit 1.

- 10.2 **Assignment.** Neither this Agreement nor any of the rights, interests, or obligations under this Agreement shall be assigned by any party without the prior written consent of the other Parties, which consent will not be unreasonably withheld.
- 10.3 **No Third-Party Beneficiaries.** Nothing in this Agreement, express or implied, is intended or shall be construed to confer on any person, other than the Parties to this Agreement, any right, remedy, or claim under or with respect to this Agreement.
- 10.4 **Further Assurances.** Each party agrees (a) to execute and deliver such other documents and (b) to do and perform such other acts and things, as any other party may reasonably request, in order to carry out the intent and accomplish the purposes of this Agreement.
- 10.5 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon, without regard to conflict-of-laws principles.
- 10.6 **Exhibits.** The Exhibits referenced in this Agreement are a part of this Agreement as if fully set forth in this Agreement.
- 10.7 **Severability.** If any provision of this Agreement shall be invalid or unenforceable in any respect for any reason, the validity and enforceability of any such provision in any other respect of the remaining provisions of this Agreement shall not be in any way impaired.
- 10.8 **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the Parties with respect to the subject matter of this Agreement and supersedes all prior understandings and agreement, whether written or oral, among the Parties with respect to such subject matter.

IN WITNESS WHEREOF, the Parties hereby execute this Agreement.
