Spring Break and Summer Camps

Let your child's imagination soar with silly songs, cool crafts, art, field trips, and **LOADS OF FUN!**

Albany Parks & Recreation Spring Break

Children 7-11 years old, can participate in our Spring Break Camp. It is designed to provide campers with an active, creative, and educational experience that builds confidence, imagination, and a variety of skills.

Albany Parks & Recreation Summer Camps

Summer camps are a time for exploration, fun, making new friends, and learning new skills. Our camps are geared to do just that!

We offer two camp programs for two different age groups:

Lil' Explorers camp is for the 4-6-year-old. We offer four weeks of three-day camps. These full day camps provide these little campers with a "big kid" experience. Silly songs, fun crafts, outdoor play, field trips all add up to 3 days of creativity, fitness, and adventure.

Camp Albany provides a day camp experience for those children who are 7-11 years old. We offer five weeks of full-day camps during the summer. Campers explore a wide-range of activities that build teamwork, creativity, skill building, and physical fitness. A day at camp might include building sculptures, discovering nature, creating their own game, making a snack, swimming at our local pools, and going on a field trip.

Albany Parks & Recreation camps are made possible through the incredible support of a caring community and generous partners like you!

The Albany Parks & Recreation Fun4All program provides camp scholarships to support children whose families may not otherwise be able to afford a camp experience. Fun4All scholarships help children reap the benefits of connecting with other children their age in a fun, yet structured environment.

Donations to the Fun4All program can be made to establish scholarships for as many campers as you would like to support. Example: For a gift of \$100 you can cover a Little Explorer for 1 week of camp or \$1,600 would allow 10 Junior Explorer's the opportunity to spend a week at camp!

All donations made to Fun4All go program go directly to scholarships.
