On-going communication was conducted through the following venues:

- Albany Democrat Herald news releases, articles, and blogs
- TSP project website  
([http://www.cityofalbany.net/publicworks/streets/management\\_plan/index.php](http://www.cityofalbany.net/publicworks/streets/management_plan/index.php))
- Email lists for 78 interested citizens, 37 business contacts, 21 members of boards and commissions, 59 contacts with state and local agencies, and 28 contacts within the city

Additional outreach to 4<sup>th</sup> and 5<sup>th</sup> grade students at North Albany Elementary School and Central Albany School included the following lessons:

- March 21, 2007 – introduction to maps
- March 22, 2007 – build an edible road cross-section
- June 11, 2007 – introduction to bridges and folding paper bridges
- June 12, 2007 – build a spice drop–toothpick bridge
- October 10, 2007 – Transit – routes, fares, and a ride around the city
- October 23, 2007 – Bike safety and helmets
