## **YOUR COMMENTS**

All testimony and evidence must be directed toward the approval standards for this application listed in this notice. Failure to raise an issue by letter or in person before the close of the record or the final evidentiary hearing, or failure to provide statements or evidence with sufficient detail to allow the Landmarks Advisory Commission an adequate opportunity to respond to each issue raised, precludes an appeal based on that issue.

## **PUBLIC HEARING PROCEDURE**

The public hearing will begin with a declaration of any *ex parte* contacts (contacts that occurred outside of the public hearing) or any conflict of interest by the decision-makers. This will be followed by the staff report from the Planning staff. Then the applicant (or appellant if the case is an appeal) will testify, followed by testimony from other people in support of the application. After those in favor of the application are finished, testimony from opponents will begin. This will be followed by testimony from people who neither favor nor oppose the application. The applicant will then be given the opportunity for rebuttal. The decision-makers are free to ask questions of any person who has testified, or of staff, at any point during the hearing.

If the hearing is continued or the record is left open, the chairperson will announce the date, time, and place for the resumption of the hearing and/or what limitations exist on further testimony or submittal of written materials. If the hearing and record are closed, the decision-makers will begin deliberations and/or will announce the time, date, and place when the decision will be made.

The location of the meeting/hearing is accessible to the disabled. If you need special accommodations to attend or participate, please notify the Human Resources Department in advance by calling 541-917-7500.

## **APPEALS**

Within five days of the Landmarks Advisory Commission's final decision on this application, the Community Development Director will provide written notice of decision to the applicant and any other parties entitled to notice.

A decision of the Landmarks Advisory Commission may be appealed to the City Council if a person with standing files a Notice of Appeal and associated filing fee with the City within 10 days of the date the City mails the notice of decision.

The location of the meeting/hearing is accessible to the disabled. If you need special accommodations to attend or participate, please notify the Human Resources Department in advance by calling 541-917-7500.
