On January 6, 2021, the Albany Landmarks Commission granted APPROVAL of the application described above. The Landmarks Commission based its decision upon consideration of applicable standards and review criteria listed in the Albany Development Code (ADC), staff report dated December 31, 2020, and consideration of public testimony. The supporting documentation relied upon by the City in making this decision is available for review at City Hall, 333 Broadalbin Street SW. For more information, please contact Project Planner Tony Mills at tony.mills@cityofalbany.net or 541-917-7555.

The City’s decision may be appealed to the City Council if a person with standing files a completed Notice to Appeal application and the associated filing fee no later than 10 days from the date the City mails the Notice of Decision. The applicants may proceed, at their own risk, prior to the end of the appeal period, provided they sign a Release and Indemnity Agreement with the City.

This approval expires in three years, unless a valid approved building permit exists for new construction or improvements, and work has commenced, or unless an extension has been granted pursuant to ADC 1.083. The issuance of this approval by the City of Albany does not eliminate the need for compliance with other federal, state, or local regulations. It is the applicant's responsibility to contact other federal, state, or local agencies or departments to assure compliance with all applicable regulations.

Appeal Date: January 18, 2021
Approval Expiration Date (if not appealed): January 8, 2024

Information for the Applicant

Please read the following requirements. This list is not meant to be all-inclusive; we have tried to compile requirements that relate to your specific type of development. These requirements are not conditions of the land use decision. They are Albany Municipal Code (AMC) or Albany Development Code (ADC) regulations or administrative policies of the Planning, Public Works, Fire, or Building Departments that you must meet as part of the development process. You must comply with state, federal, and local law. The issuance of this permit by the City of Albany does not eliminate the need for compliance with other federal, state, or local regulations. It is the applicant’s responsibility to contact other federal, state, or local agencies or departments to ensure compliance with all applicable regulations.

Planning
Land use approval does not constitute Building or Public Works permit approvals.

Building
Permits
