**Planner**, at 541-791-0176. Submit any written comments to the Planning Division; P.O. Box 490; Albany, OR 97321 or by email to [travis.north@cityofalbany.net](mailto:travis.north@cityofalbany.net). Any person submitting written comments will receive a copy of the Notice of Decision on the application.

According to the Albany Development Code (ADC or Code), the proposed use is allowed on this property. This review is limited to the layout of the proposed use in accordance with the Review Criteria contained in ADC Section 2.450. The use must also meet applicable City development standards found in the Code. These standards address such features as off-street parking, landscaping, setbacks, overlay districts, outside storage, and lighting. The City may attach conditions of approval to the application to ensure that the proposal will conform to the applicable review criteria (ADC 2.450).

### Approval Standards for This Request

Section 2.450 of the Albany Development Code includes the following review criteria that must be met for this application to be approved.

1. Public utilities can accommodate the proposed development.
2. The proposed post-construction stormwater quality facilities (private and/or public) can accommodate the proposed development, consistent with Title 12 of the Albany Municipal Code.
3. The transportation system can safely and adequately accommodate the proposed development.
4. Parking areas and entrance-exit points are designed to facilitate traffic and pedestrian safety and avoid congestion.
5. The design and operating characteristics of the proposed development are reasonably compatible with surrounding development and land uses, and any negative impacts have been sufficiently minimized.
6. Activities and developments within special purpose districts must comply with the regulations described in Articles 4 (Airport Approach), 6 (Natural Resources), and 7 (Historic), as applicable.
7. The site is in compliance with prior land use approvals.
8. Sites that have lost their nonconforming status must be brought into compliance and may be brought into compliance incrementally in accordance with Section 2.370.

Additional review standards for this Site Plan Review application are found in ADC Articles 1, 2, 3, 9, 12 & 13.
