Statement:

Our show would be a collaboration of five calligraphers: Nancy Anderson, Penny White, Susan Wickes, Sandi Cormier and Laura Drager. We meet regularly to share ideas and encourage each other in our love of letters and our joy of making marks on paper. The media we use includes a variety of inks, watercolor, acrylics, resists and cut paper. Our tools run the gamut of pointed brushes, flat brushes, pens and nibs, folded pens, colored pencils, sponges, shells - pretty much whatever will make a mark. And the paper - well, it's anything that will work with the media.

I have read the Call-To-Artist Policy and agree to the terms included therein.

Statement:

An artist with no formal training Cory Self was born November 1983 in Lebanon Oregon. His portraits and illustrations are about capturing ordinary people and happenings as seen through the filters of his imagination. They are more than just reflections of his subjects, they bring out the magical, dualistic, sometimes fantastic nature that resides within each of us and all around us. He draws people and happenings how he sees and feels about them at any given moment. Cory lives in the northwest and is currently incarcerated
