PUBLIC SAFETY COMMISSION

MINUTES

Wednesday, December 7, 2022 7:00 p.m. Albany Police Department

Approved: DRAFT

CALL TO ORDER

The meeting was called to order at 7:00 p.m.

ROLL CALL

Commissioners present: Adam Brenneman, Tom Cordier, Erik Anderson, Cynthia Greene, Nicholas Fowler

(virtual), Pat Kidd (virtual)

Commissioners absent: Kevin Kreitman, Evan Church,

Staff present: Marcia Harnden, Police Chief; Shane Wooton, Fire Chief; Shelby Draper,

Administrative Assistant I, Rochelle James, Administrative Assistant I

APPROVAL OF MINUTES

MOTION

The minutes of October 19, 2022, was approved.

DEPARTMENT REPORTS

Fire Update - Shane Wooton

Chief Wooton discussed the department report. Since the last meeting, the department is staying consistent. So far, this fiscal year the department has responded to 4,822 calls, which if they continue this pace, they will eclipse last year's total number by almost 300 calls. Chief said response times are staying consistent which is one of the most important things to look at is how quickly can the emergency personnel get to your home. Chief shared the departments concurrent incidents to show how frequently there are multiple units out on several emergency calls happening at once.

Chief said the department received additional ambulance revenue from a federal program that allows the city to seek reimbursement for patients that are transported from the hospital that are on Medicaid or coordinated care group. Those funds are going to be used moving forward into the fiscal year and be proposed in the upcoming budget. Chief said the goal is to hire single role paramedics and EMT's, which means they are not certified fire fighters, to help with the higher demand on the ambulance service.

The department is prepping and goal setting for the upcoming calendar year. Chief said there are a handful of goals that the department will work toward and will share all of those at the next meeting to let you know where the department is aiming to move towards.

Chief discussed the top incident complaints that the department is responding to. With RSV in children and young people along with the flu on an uptick, sick person is currently the top call with 796 response calls. Chief gave brief descriptions on what the types of calls the department responds to most frequently.

The department held their 6th annual AFD toy drive. This year, the department partnered with Margin Coffee. Toys can be dropped off at any of the fire stations along with Margin Coffee. Chief shared that Firefighter/Paramedic Jackson Mehl was the EMS provider of the year and Firefighter/Paramedic Jessica Jackovich was the Firefighter of the year. Chief said that four new employees are with their FTO's and are assigned a shift and continuing to learn very fast with a lot of hands-on experience. The department has the safer grant which creates three positions to fill, and in a recruitment process because of a few more anticipated vacancies coming up. Chief shared step by step the departments hiring process. A question was asked regarding the timeframe of when the conditional offer is sent to when the employee is starting day one. Chief said is usually about two to three months. Another question was asked on how long the academy is. Chief said it depends on the size of the group, but typically six to seven weeks. A question about the call stats. Chief shared that the report was made off of the top 50 calls.

<u>Police Update – Marcia Harnden</u>

Chief presented the department report showing the current month's crime stats with a comparison of last year's to the current year. Chief said that the departments call volume has increased along with the officer-initiated traffic calls now that staffing has improved. Chief said year to date the department has taken 29,887 calls compared to last year, this is an increase of over 500 calls with the expectation continuing to climb. A question was asked how it compares to other departments. Chief said the closest comparison is Corvallis, and we are much busier, and a lot is driven by the fact that we are located so close to the interstate. Chief said that fuel thefts and petty crimes are becoming very frequent.

Chief shared that so far this year the department has responded to 85 overdose calls. Whereas in 2021, there was a total of 50. There have been nine overdose deaths so far this year which far surpasses the last three years combined. Chief said the fentanyl is currently the biggest threat to the community. Also, the number of Narcan uses is going up and that is because of the current type of fentanyl that is out in the public takes multiple Narcan uses to an individual.

Chief gave a department personnel update. The departments Mental Health Professional started early November and is already very busy. She came to us from Linn County Mental Health with lots of background knowledge. She is working with Fire, Police, Library and Parks which is a great investment. Chief shared the department currently has only one vacancy, with a candidate in backgrounds. The Chief was given permission to over hire from the City Manager which is a very good place to be. Chief said four officers started this month, one of which is a later officer from Colorado.

Chief shared that the department completed twenty-two school lock down drills along with the city's private school. All the feedback was very well received. And another series of lock down drills will happen this spring.

A question was asked about vandalism and the number of reported calls. Chief shared there may have been a lack in the reporting. Chief explained how vandalism is defined. A good percent of the vandalism calls are spray paint calls. Another question mentioned why the local newspaper is no longer reporting on city crimes or incidents. Both Chiefs want the community to know what is happening and both stated the news reporters just aren't interested in reporting on them anymore. A lot of information is now being shown through social media.

NEXT MEETING DATE:

The next meeting will be February 1, 2023, at the Albany Fire Department.

ADJOURNMENT

Meeting adjourned at 7:49 p.m.

Respectfully submitted,

Rochelle James

Administrative Assistant
