SECTION 1 – INTRODUCTION

1.1 BACKGROUND

The City of Albany is a municipal governmental entity providing a full range of services, including police and fire police protection; land use planning; sewer services; water services; construction and maintenance of streets, and infrastructure; recreational activities, and cultural events. The City of Albany, with a population of 57,199, is the eleventh largest City in Oregon. Located at the confluence of the Willamette and Calapooia Rivers, the city of Albany lies within both Benton and Linn counties. Albany is the largest city in Linn County and serves as the county seat. Albany is also the second largest city in Benton County. From its river town beginnings, Albany has grown south and east with the railroads, state highways and Interstate 5 and across the Willamette into the farms and wooded hillsides of North Albany.

Albany operates under a home-rule charter in a council-manager form of government. Albany is led by an elected, non-partisan seven-member council. The council consists of the mayor and six council members. The mayor is elected at-large every two years; councilors are elected for overlapping four-year terms within three city wards. The city manager serves at the pleasure of the council. The council meets on the 2nd and 4th Wednesdays of each month and conducts work sessions the Monday prior to regularly scheduled Wednesday meetings (with some exceptions). The city council acts as the local contract review board for the City.

Albany employs approximately 427.40 FTE employees and up to an additional 100 temporary employees seasonally. Employees work in one of nine departments. The departments are Police, Fire, Parks & Recreation, Library, Human Resources, Finance, Information Technology, Public Works Engineering & Operations, and Community Development.

The Public Works Department is home to a wide variety of essential services including Transit, Street Maintenance, Water Distribution and Treatment, Sewer service, Wastewater Treatment, Environmental Services, and Engineering. This RFP is for parts and services related to Water Treatment.

The objective of requesting proposals is for the City to contract with a firm that can offer the highest quality of service at a cost representing the best value to the City. Additional information is available at: cityofalbany.net/pw/water.

2.21 SUBCONTRACTORS

In all solicitations either by competitive bidding, proposals, or negotiation made by the successful proposer for work to be performed under a subconsultant/subcontractor, including procurements of materials or leases of equipment, each potential supplier will be notified by the successful proposer of the proposer's obligations under this contract, Title VI of the Civil Rights Act of 1964, and other federal nondiscrimination laws. A list of potential state certified DBE contractors is available at <https://www.oregon.gov/biz/programs/cobid/pages/default.aspx> and from the City's website at <https://cityofalbany.net/bids>.

2.22 IDENTICAL PROPOSALS

The City will provide the proposers who submitted the identical proposals notice of the date, time, and location of the drawing of lots and an opportunity for the proposers to be present when the lots are drawn.

2.23 COMPLIANCE WITH STATE OF OREGON LAWS

By submitting a response to this solicitation, proposer agrees that any terms and conditions stated within any agreement awarded as a result of this solicitation will include the following laws of the State of Oregon and are hereby incorporated by reference into the agreement: ORS 279B.220 (Payment, contributions, liens, and withholding), ORS 279B.225 (Salvaging, recycling, composting or mulching yard waste material, if applicable), ORS 279B.230 (Payment for medical care and workers' compensation), and ORS 279B.235 (Hours of labor).

Responsive proposers to this RFP will be notified of the Selection Review Committee's recommendation and the City's intent to award an agreement not less than seven (7) days prior to award of agreement. The notice of intent to award an agreement will be directed to the person who has signed the proposal on behalf of the proposer, or their designee, if an email has not been provided.

2.25 PROTEST OF AWARD

A proposer may protest the award of a contract or the intent to award such a contract, whichever occurs first, if the following conditions are satisfied: (1) The proposer must be adversely affected because the proposer would be eligible to be awarded the contract in the event the protest is successful; (2) The reason for the protest is that all the lower bids/proposals, or higher-ranked bids/proposals are nonresponsive; (3) The City has failed to conduct the evaluation of proposals in accordance with the criteria or processes described in the solicitation document and the specific criteria and process being protested must be included; (4) The City has abused its discretion in rejecting the protestor's bid/proposal as nonresponsive; (5) The City's evaluation of the proposals or the subsequent determination of award is otherwise in violation of ORS 279A or 279B.

Written protests must be delivered to the Purchasing Coordinator at procurement@cityofalbany.net, within seven (7) days after issuance of the notice of intent to award the contract, or if no notice of intent to award is issued, within forty-eight hours after award. The written protest must specify the grounds for protest, must be received by the deadline provided in the notice of intent to award, and must be complete meeting all conditions addressed above, to be considered by the City, pursuant to ORS 279B.410(2). City will not consider a protest of contract award that is incomplete and submitted after the above timeline.

2.26 OBLIGATION TO AWARD

The City's obligation to award this RFP is contingent upon appropriation or approval of funds.

2.27 AGREEMENT

The successful proposer(s) will be required to sign an agreement to deliver to the City at the cost proposed, providing the scope of services and conditions set forth herein, or an agreed upon statement of work, if applicable. It is the City's intent to award an agreement in substantially the form of the sample agreement attached to this RFP document.

2.28 NOTICE TO PROCEED

Work under the Agreement may not begin until the Notice to Proceed has been issued. The City will issue the Notice to Proceed after execution of the contract. The Notice to Proceed will state the date work under the Agreement will begin.

2.29 RECIPROCAL PREFERENCE LAW

Oregon's reciprocal preference law, ORS 279A.125, requires public contracting agencies, in determining the lowest responsible proposer, to add a percent increase to each out-of-state proposer's bid price which is equal to the percent of preference given to local proposers in the proposer's home state. The list prepared and maintained by the Oregon Department of Administrative Services pursuant to ORS 279A.120(4) will be used to determine whether the nonresident proposer's state gives preference to in-state proposers and the amount of such preference. For details, check Oregon's Reciprocal Preference Law at <https://www.naspo.org/reciprocity1>. Proposers in need of assistance in the application of this law

should contact the State Procurement Office: State of Oregon, Department of Administrative Services, State Procurement Office, 1225 Ferry Street SE, U-140, Salem, OR 97301-4285. Phone: 503-378-4642.
