

RESOLUTION NO. 2598

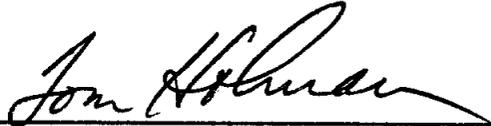

WHEREAS, the City Charter requires "the concurrence of four of the members of the Council to decide any question before the Council"; and

WHEREAS, when one member is absent from a meeting, the Council may be unable to decide a question because of the lack of a single vote either in the affirmative or the negative; and

WHEREAS, a decision of a majority of the Council may thus be prevented simply by the absence of one member.

NOW, THEREFORE, BE IT RESOLVED that whenever a vote of the Council fails to result in a decision by at least four members voting either in the affirmative or the negative, the question before the Council shall be considered again at the next meeting at which all members are present.

DATED THIS 12TH DAY OF FEBRUARY, 1986.
