

RESOLUTION NO. 2715

WHEREAS, the Public Works Committee of the Albany City Council reviewed the City of Albany's policy for the maintenance of unimproved streets on August 3, 1987; and

WHEREAS, the Public Works Committee recommended that unimproved dirt or gravel streets be maintained by the City; and

WHEREAS, it is desirable to apply crushed rock and dust inhibitors to the surface of gravel and dirt streets; and

WHEREAS, a program should be developed to apply the crushed rock to these unimproved streets over a two- to three-year period; and

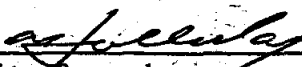

NOW, THEREFORE, BE IT RESOLVED that the City of Albany will maintain unimproved gravel and dirt streets within the city limits by applying crushed rock to their surfaces, and that the initial program to implement this maintenance practice will be implemented over a two- to three-year period and Resolutions 1026 and 1289 are hereby repealed.

DATED this 9th day of September, 1987.
